

PARKER TOWER

Issue 3 | August 2016

WELCOME TO PARKER TOWER'S SUMMER NEWSLETTER

BNP Paribas Real Estate is refurbishing Parker Tower to include 59 new apartments, including affordable housing for local people, cycle storage, new office space and improvements to the public realm on Parker Street.

Legendre UK has been appointed as the Main Contractor for Parker Tower. Legendre has over 60 years' industry experience. Recent projects include a similar 19-storey residential tower project and the recent refurbishment of a tall office building in Paris. Legendre is a leader in the field of delivering large scale urban projects. The project team has extensive experience of working in the UK. Their previous experience includes a number of residential schemes such as 184 apartments on the Kings Road, One Hyde Park as well as Central

Middlesex Hospital.

The demolition phase has now begun. Syd Bishop and Sons Demolition is contracted as Principal Contractor for the demolition phase of the project. They are a family-owned demolition company with wide-ranging experience working on varied demolition projects across London. This has allowed them to forge an excellent reputation for professional and safe work.

The Parker Tower Construction Liaison Group will be hosted on-site at Parker Tower

View of refurbished Parker Tower from Parker Street

on the last Monday of each month, other than bank holidays. The Group will be discussing the Construction Management Plan in the coming months before Legendre start on-site in the New Year.

UPCOMING DATES:

- 22 August
- 26 September
- 31 October
- 28 November

To find out more about Parker Tower, the Construction Liaison Group or to sign-up for weekly updates; please visit www.parkertower.co.uk

Works On-Site

The site is registered to the Considerate Constructors Scheme and has been assessed to be performing to very good and excellent standards. The programme of works is on schedule.
